S/SGT. STAN CARNARIUS 42 APO 448 NY is in Belgium and to him we award the prize of the "Letter of the Month." On the other hand, Stan writes so seldom when he finally gets down to it, it ought to be a master-piece. And I don't know that we ought to award the prize to one so woefully weak in the art of correspondence. Well—it's been done. We're sorry we can't reproduce it in its entirety, but it's about "Stan, this wandering lad—the snow has disappeared and we are in the throes of Spring and the Mud—strange things, people, and happenings—manure piles in front yards, wells ten feet away, rugged women why not after all the tough work they've been doing—with no men to help—and the most unholiest sort of cynicism prevails over all both civilian and military. My French and German have helped me. (Stan was a star language student at LMI)—on many occasions I have been used as impromptu interpreter—the most significant thing I have found to date is that these people wouldn't know what to do with our kind of freedom if they had it, govt and official directors have been too much a part of their lives—after all, it may be easier to live the way you are told than to try to live wisely on your own judgment; or am I a little on the wet side—I think no. (I think so—on that point.) He concludes by saying: "You must all try Paris someday—it is worth the seasonal etc." Thanking you again for the NL, I slide back again into the Mud and rush of this lowly existence."

BILL MOORE S 1/C (RM) San Bruno, Calif., thinks he is on his way out. He's had three teeth pulled, got his overseas shots and says his arms feel like cushions.

A/C ALLAN WOOD 41 is at Corpus Christi, Texas, in the USMC. At the present time he's finishing Pre-Operational Training flying Douglas Dive Bombers, or SBD's to the initiated. He wants to say hello to ENS. DICK LOEN and ENS. SAM RUSSELL. Two of your former buddies. BERNIE CAPELLI, just back from China, and FRANCIS BROPHY were here when your letters came, and we all enjoyed reading it together.

G. W. LATCH S 1/C, AMM 39, FPO SF, is in the Mariannas. He says the rock is OK, no malaria, and nice and warm, and that there isn't much to write about. "The show is lousy, the work is hard, it's hot and dusty when it isn't raining." They're sleeping in tents, but he still hits the deck, etc., and he concludes by saying that some of the 39ers better get on the ball and do a little writing.

A/C CHARLIE MELCHIOR, San Antonio, Texas, has finished Pre-Flight and is waiting to be shipped to another base. Although he'd like to come home he says he'd just as soon finish his training first.

A card from FRED DELIZZO, Key West, Fla., reports he's heard from his brother CHARLIE and that all is well with both of them.

SGT. STAN DREXLER, 42, is at Camp Joseph H. Pendleton, Calif., and hurries to write a letter with his latest address as he gets ready to shove off.

S/SGT. HORACE MACLEES, APO 493 B-2 NY, is in the India, Burma, China theatre and writes that things are pretty tough. We have quite a few guys in your area—keep your eyes open.

LT. EDWARD MILLER, 42, APO 244 SF, sends his new address from the Mariannas because our last NL touched three bases before reaching him.

HENRY C. KOEHLER, S 2/C, FPO, NY, is on a new heavy cruiser commissioned only a week ago and he says she's a beauty. Henry is a Radioman and likes his work. Wishes that BIG JIM DAVIS was around so that he (Henry) could explain something to him that's really scientific.

News via Mrs. Young from IZZY DUBIN, APO 652 NY, says that he has been in the hospital. What's the trouble, Izz? And also a thank you note from FRANCIS D. O'CONNELL, CCM 31, FPO SF. He says there are too few letters from the guys in the Classes 30-31-32.

ROBERT P. REINHARDT, S 2/C 44, is attending Q M School at Sampson, NY. Upon completion of the course he will go to sea.

GEORGE F. CHANDLER, AB, PM NY, is in France, and says it's really "lousy." He doesn't like it.

The next letter in the Mail Bag is from JIM MARTINDALE, Y 1/C 30. In reality the writer is Mrs. Martindale (Mary Alice Kraftson) 40. She says "Jim just came home with the NL and we have quite a time explaining over the news of our different classmates." Now for the news—JIM is instructing at San Diego, while David James (seven months old) keeps Mother busy at home. SGT. ED KRAFTSON 38 is instructing in the Signal Corps School at Petaluma. LT. (Jr.) HARRY KRAFTSON 34 is in the Marshall Is.

S/SGT. CARL M. KLING, APO 230 NY, sends along with his picture, greetings to all the Yunkers.

CPL. WM. B. STUMPO, APO 339 NY, writes from Germany asking about our chances of taking the State Basketball title. This NL will give you the answer. Your brother, SGT. ANTHONY, in the Pacific, is on our list.

RICHARD W. WALKLING, S 1/C (RT) 44, after attending Swarthmore College for one year, passed the Eddy Test and is now in the Navy, Great Lakes, Ill.

LT. (Jr.) W. W. ALEXANDER 33 FPO NY, sends a note of appreciation to all who help with the NL and says he expects to be home one of these days. He's engaged in salvage work for the Navy.

CPL. IVAN BROWN, 41, APO 77 NY, is in the Philippines. A brief rest after the invasion for him was followed by yellow jaundice, put him in the hospital. The stay there, with American nurses, mattresses and bed sheets was quite the life. Congratulations on receiving the Bronze Star Medal. It must be great to have that planned on by the General.

Lower Merion - Narberth Chairman Says They Have Proved Excellent Workers; Sales To Date In Area Total \$2,061,375 Against \$2,968,000 Quota

A cooperative theatre campaign to promote the sale of War Bonds by school children got off to a good start Saturday when youngsters attending the matinee at the Suburban in Ardmore and the Seville in Bryn Mawr were treated to an unexpected thrill.

Between shows, Cpl. Richard Dougherty appeared on the stage and talked informally to them about his experiences in the South Pacific. He spoke under the auspices of the Seventh War Loan Committee for Lower Merion and Narberth, which has given its approval to the theatre plan.

Every child who sells a bond during the drive will receive a ticket to the Bond Premiere which will be held at the Suburban, Seville, Wayne and Riant (Conshohocken) theatres during the week of June 25. He will also receive a ticket for a matinee performance in his neighborhood theatre. The child selling the most bonds will receive six months admission for matinees and the runner-up one month's admission.

"School children have been among the best workers in previous drives," declared Thomas E. Bener, general chairman of the Lower Merion-Narberth Committee. "They are alert and informed and seem to be fully conscious of the great need for making the goal in this two-for-one drive. The Seventh will no doubt profit by their help."

Up to May 28, bond sales in the Lower Merion-Narberth area totaled \$2,061,375, including sales of both corporate and individual bonds. The total includes \$690,000 one-third of total sales in the Seventh War Loan, and are keeping pace with the rest of the Narberth committee: J. Randall Williams, James W. Drennen, Frederick M. Robb, Richard M. Gillis, Salvatore Frattantonio and Harold C. Fenno. Narberth has now reached a total of \$102,275 in its drive toward a \$141,277 goal.

In Gladwyne, George Rieger, Jr., who heads the bond drive there, said yesterday that Gladwyne residents have taken their share of the drive. "The message contained in the letter sent them at the beginning of the drive: 'If your solicitor hasn't called you, call him and tell him you want to buy more bonds for the Seventh War Loan,'" Rieger said.

Here's how the sales stand in this area, up to May 28:

Narberth Brothers Safe; One Home The Other Liberated From Prison Camp

Sunday, May 20, is a day Mrs. N. A. Gill, of 18 Elmwood Ave., Narberth, will long remember.

That was the day her oldest son, S/SGT. Matthias A. Gill, 40, was released from a German prison camp. He had been in the service over two years. SGT. Matthias, attached to the 94th Division of the 301st Infantry, had been hospitalized in hospitals in France and in England before coming home. He is now stationed in the Valley Forge General Hospital.

A graduate of Lower Merion High School and Episcopal Academy, he had been in the service over two years. SGT. Bruce, husband of the former Jayne Wehman, of Narberth, had been reported missing since November, 1944, until March of this year when a postcard was received, stating that he was a prisoner of war.

The cablegram received by Mrs. Gill Sunday merely stated that SGT. Gill was liberated, safe, and well. A letter received Monday from him, stated that he expected to come home any day.

SGT. N. BRUCE GILL

Attached to the 26th Division of the 106th Infantry, Sgt. Gill is believed to be in France. He has been in the service over three years, and is also a graduate of Lower Merion High and Episcopal Academy. He has been overseas since last August.

STILL GOING STRONG AT 97

HENRY DOLL

Henry Doll, Narberth's only surviving veteran of the Civil War, did not participate in the Memorial Day services in Narberth this week, as has been his custom in other years.

Instead, he passed the day quietly at the Naval Hospital in Philadelphia, where he has been confined since 1941, when he suffered a broken hip. Before that, he lived with his daughter, Miss Jeannette Doll, at 215 Iona Ave., Narberth, who now goes in to visit him several times each week.

Though the holiday was a quiet one for the 97-year-old veteran, it was far from dull. Decked out in full uniform, he received visits from many old friends, who found him in good health, his keen sense of humor sparkling as always.

Mr. Doll enlisted in 1863 as a cabin boy when he was 14 years old. He served under Admiral Farragut and on the Tallahassee, a gunboat on the Red River, which he boarded from Mississippi. Later he served also on the USS Elk.

He was honorably discharged from the Navy at Philadelphia on September 11, 1867, while he was serving under Captain Patterson and Admiral Gridon.

In 1870, he went to work for the Pennsylvania Railroad as a repair man and in 1889 was promoted to a locomotive engineer. He was retired on a pension in 1915. His son, George Doll, is now an engineer on the Reading Railroad.

Letters Follow Missing in Action Telegram at 3-Month Intervals

(Editor's Note: Because there are many parents and wives in this community who have received word that their sons or husbands are "missing in action," we believe the following article will be of general interest. It was written last year by Col. George F. Herbert, chief of the Casualty Branch and was printed in this paper by the Red Cross. It is the last of a series.)

When the report reaches the War Department that a man is missing in action, the Casualty Branch of the Adjutant General's Office, which makes all notifications at casualties, sends a telegram to the person, usually the next of kin, who has been previously designated by the soldier to receive such reports.

The telegram contains information as to the date the soldier was reported missing and the date of operations in which his unit was engaged at the time. If he was aboard a plane over enemy territory, and the report received, it is included in the telegram to the emergency addressee.

Shortly after the telegram has been sent, it is confirmed by a letter to the emergency addressee. Even though this letter is sent, it contains additional information for the reason that the unit commander has been unable to provide further details. It serves to answer some of the questions that immediately come to mind with the family, and to relieve in some measure the anxiety for further news. The latter is accomplished when the war or parent, brother or sister, the case may be, is assured that when a further report is received in the War Department, regarding the person concerned, it will be forwarded at once.

Another question answered by the letter is that the soldier's pay, allowances and allotments are continued, under laws that have been passed by Congress.

If at the end of the ensuing three months no further report

Mrs. T. A. Phillips Calls Meeting of Department Chairmen May 29

Mrs. Theodore A. Phillips, Chairman of the Main Line Branch of the Red Cross, is back at her desk after an absence of three months, due to serious illness.

Mrs. Phillips called a meeting of all department heads, Tuesday, May 29, at the Ardmore Red Cross Center and asked for reports and plans for future expansion.

Mrs. Joseph N. Pew, Jr., chairman of Camp and Hospital Committee, stated that their programs for collecting articles for the Seaman's Recreational Chests, the procurement of musical instruments for orchestras composed of wounded veterans, and parties given for patients in nearby hospitals will continue during the summer months.

Need Sum To Cover Cost Of Additional High School Tuition

New State Legislation Will Reimburse Borough For Part Of The Amount; Drop Transportation Appropriation

At a special meeting of the Narberth School Board on May 24, it was voted to raise the school tax rate two mills in order to meet the increase in tuition being asked by the Lower Merion School Board. This increase brings the school tax to 19 mills.

Recent school legislation passed in Harrisburg will make up some of the increased cost but this will not go into effect this year. The increased cost will be borne through the new school tax. However, next year the State will bear some of the increase and the Narberth School Board will be reimbursed in part for the amount which it expended for tuition during the 1945-46 school year.

HERE AND THERE
by BETSY-ANN

Dear Em:

Sorry you missed the Memorial Day Parade this year. But then it is pretty much the same every year, a police escort, marshal, color guard, members of the borough council and borough officials, S. A. E. members, Spanish American War Veterans, Gold Star wives and mothers, Boy and Girl Scouts, members of the local Legion, and American Legion Auxiliary.

The band, furnished by the Bala-Cynwyd Junior High School was followed by the Main Line Red Cross, the Junior Navy League, the Dr. Benjamin Rush Chapter of the D. A. R., members of the Narberth Fire Company, the Narberth Volunteer Medical Corps, The Italian-American Citizens Club of Narberth, the Narberth Boys' Club, and school children from the public and parochial schools.

It's all I can do to keep the tears back when the parade passes by Haverford Ave., but when the fire engine comes along, filled with laughing, shouting children, I know it's a big moment in small lives. Some of these youngsters have been waiting a long time to get a ride in that fire engine.

We missed Henry Dahl this year. You know he lived on Iona Ave., but has been in the Naval Hospital for the last three years. He is the only surviving member of the Navy of the Civil War, and has four grandchildren in this war.

Two veterans of this war, Chief Machinists Mate Thomas Diedrich, U. S. N., who has served on minesweepers and destroyers in the Southwest Pacific areas, and participated in the invasion of 21 islands and the Philippine invasion, and Sgt. Mercurio Corio, who has served with the Marine Corps for 12 years in the China Asiatic theater, and a prisoner of the Japanese for 31 months at the camps at Cabanatuan and Alibon.

Many of the boys home on furlough joined the parade this year and all these participating in the parade were wearing uniforms.

On Sunday, May 27, the members of the Harold D. Speakman Post of the American Legion, despite the rain, placed wreaths and flags on the graves of veterans of World War I and II, and placed flags on graves of veterans of all wars, some graves in the Merion Meeting grave yard dating back to 18th century.

With the meat shortage, you find housewives going from store to store trying to find a bit of meat. Even the lowly "hot dog" is a welcome sight if you can find some. Knives, spoons, forks, and fish on Thursday and Friday disappear almost while you are looking at it. Guess we'll all make out somehow—I have yet to see anybody really hungry in the "Village".

So long.

Walzer's Loyalty To Narberth Proven Says Lou Young In Letter To The Editor

To the Editor

Sir: Last week I received a letter sponsored by a few citizens of this Borough endorsing Mr. Coelli for magistrate at the primary election on June 19th; hence, my reason for writing this letter at this time. At this age in life there are two things I pride myself in doing: one, to do my own thinking; two, to express my thoughts in public so that everyone will know beyond a doubt where I stand.

My first contact with Narberth, which dates back more than thirty years, was through my acquaintance with the then Magistrate Fred Walzer, who was greatly admired by the University of Pennsylvania students because of his active participation in the Main Line Baseball League and his great interest in the recreation and welfare of the children of

Narberth. After having resided here for twenty-two years, my admiration and friendship for Fred Walzer have never changed. We have worked together and against one another politically, and at all times never have I doubted for one minute his loyalty and affection for the Borough of Narberth. He has what I consider all the essential qualifications necessary for a Borough Magistrate: honesty, intelligence, fearlessness, aggressiveness, good judgment, and independence. He will be feared by the deliberate law-breaker and will treat the innocent offender with tolerance. I know exactly how my own boys feel toward Fred Walzer and they are only too anxious to return from overseas to cast their ballot like myself, for a man who wears well and who has been a true and genuine friend throughout the years.

THE lovely island of Guernsey is once more free after five years of Nazi occupation. There for hundreds of years a peace loving people pursued quiet, domestic life. And there were bred for generations the ancestors of the world-famous pure bred Guernsey Cattle, now so popular in the United States. In riding this little island of German oppression, a debt has been paid, for the farmers and breeders of America owe much to the people and history of Guernsey as the source of the productive, pure bred cattle that bear its name. This name is a household word in America in the trade mark of GOLDEN GUERNSEY Milk and this rich, wholesome food proves by its high quality the years of pedigree and care that stem back to the small island in the English Channel. Guernsey is free. Guernsey folk can soon return to their peaceful and fruitful way of life—a way of life full of the merit which is reflected in the healthful, rich GOLDEN GUERNSEY Milk on American tables today.

Ettore Pitches 3 Hit Game; Schedule Resumes Sunday

Rained out on Sunday and determined to get the game in Monday evening, Mickey Gavin's Bryn Mawr Good Counsel nine gambled its win streak on the weather and lost in the first twilight contest of the Main Line Boys' Baseball Conference.

The Gavinmen ran smack into a tidy three-hit pitching chore turned in by Al Ettore as the last-place Narberth club won a 1-0 decision in a wet fray staged at the General Wayne field.

Ettore and Ray Desert hooked up in a great pitching duel under grey, rain-filled skies, and Ettore came out on top due to some shoddy work by the Good Counsel defense, plus one mistake by Desert himself. Desert struck out Jim Frataconi to start the Narberth third, but the ball got away from catcher Pug McDermott and Frataconi reached first. He stole second, went to third when the throw went into center field, then scored when Desert cut loose with a wild pitch.

Halted throughout the game by Ettore's valiant pitching, Good Counsel had a scoring chance in the sixth when Desert sledged a triple with two gone. Ettore purposely walked McDermott, got the next batter on an easy grounder. The game, the last two innings of which were played in a steady downpour, was called at the end of the sixth.

Both Ettore and Desert gave up three hits. Desert struck out eight. Ettore fanned five.

The Conference resumes with a full four-game schedule Sunday, the feature game having the unbeaten Ardmore Optimists playing host to Good Counsel at Ardmore. The first bracket of four twilight contests are scheduled for next Wednesday.

West's Tough Luck Remains to Finish

Tough lucky guy of the Suburban Conference in baseball was Bill West of Lower Merion High—and by a country mile.

The misfortune that dogged his heels all season reached a climax when he finished on the short end of 1-0 scores in his last two games.

West allowed only three hits against Norristown last Thursday, but Meyer, the Norristown pitcher, allowed only one and thus the Eagles managed to squeeze out a 1-0 verdict at Norristown.

On Monday Upper Darby walked off with a similar decision at West's expense, with Engle of the Royals stealing home with the winning run. Catcher Jack Winters was returning a pitch to West. In addition, West's mates kept him in hot water throughout with five errors, although he permitted but four hits. L. M. had five off Mike Rosini.

Just a week ago the Maroon blew a 9-4 lead at Abington behind West and the week before that he dropped a 1-0 decision to Haverford when Charlie Gunther registered his no-hitter.

HOW DOES CHRISTIAN SCIENCE HEAL?

The disappearance of organic and functional disease, as well as of trouble in other forms, is continually recorded among those who have turned to Christian Science for help.

The method of such overcoming of difficulty is prayer—a spiritually scientific manner of thinking based on the teaching of Christ Jesus.

What this prayer is and how anyone can understand it and use it effectually in accordance with his need are fully explained in the Christian Science textbook.

He can't ask you now!

... He's an American hero. After fighting bloody battles in the Pacific, he was home on leave two years ago.

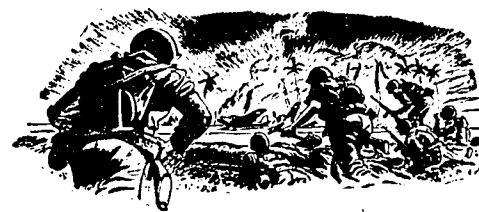

... You may remember seeing his picture. His name is John Basilone, Marine Gunnery Sergeant. He traveled all over America, urging every American to buy more bonds.

... He said: "You don't know—you can't know—how much it means to the boys out there when they hear the folks back home have just put another War Bond Drive over the top."

... They gave him the Congressional Medal of Honor and offered him a commission. He didn't want it. "I'm a plain soldier," he said. "I want to stay one."

... Well, he stayed a plain marine—like Joe and Bill and the fellows

down the street. He *can't* ask you to buy *bigger* bonds during the Seventh. He was killed a few weeks ago on Iwo, just after he had led his assault team to the edge of an airfield we needed desperately.

... We can't let him and all our other fighting heroes down. Remember, last year we had two War Loan Drives by this time. The Seventh is our personal call to arms—two drives in one. That's why our quota is large.
